Christmas 2011

Boxer Club Gold Reef Championship Show

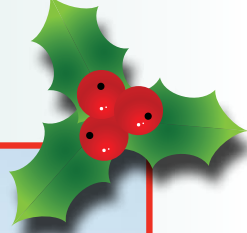

8 October 2011, Denel, Kenden Hall & Sportsgrounds, Centurion

A lovely hot day heralded our Championship Show this year which was held directly after the Boxers had finished showing in the Transvaal Kennel Club Championship Show. It is sometimes a little hectic when we have to "share" time and premises with another show, but it means that we have the advantage of the larger show's facilities and exhibitors can conveniently attend two shows on the same day, so its a win-win arrangement – particularly for those having to travel long distances to

get to the showgrounds. The show was judged by Mrs Alice Roussouw who used to be a very active member of the then Transvaal Boxer Club after she and her husband relocated to Johannesburg in 1981. She registered her kennel name "Manitoka" in 1972 and is now located in Western Province where she is a Boxer Specialist judge. She still owns and enjoys her Boxers, Ch Montala Up Town Girl of Manitoka and Montala Phoenix of Manitoka.
